Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 1 item(s):

- Your amended report discloses an increase in receipts totaling \$58,357.25 and an increase in disbursements totaling \$13,903.06 from the amounts disclosed on your original report. Please amend your report or provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

The Commission notes the memo text attached to your report stating, "This report amends the report originally filed on January 31, 2018 to include activity related to an additional bank account established by a mail vendor that was previously unknown to the committee's compliance officers. This amendment includes receipts from that account, and the committee has also filed an amended Form 1 that lists the additional account on Line 9." Although the Commission may take further legal action concerning this matter, your clarification and any additional clarification you may have will be taken into consideration. 11 CFR §104.3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to
